

## Truly start to live!

E.Hardi Kubassek 03/08

He gave His all, to the very last drop  
Of precious, Royal blood.  
That we might have eternal life,  
Through faith in Him, and what He's done.

What can I do to show true gratitude,  
For all He's done that I might live?  
"Follow my blood stained footprints friend;  
And you will see, that when you give your all,  
You lose your life and truly start to live for me."

The Master of the harvest calls for servants,  
"Where are you my son, my daughter?  
Can you hear the dying souls who cry?  
The precious souls that I've created,  
Are going to the grave.  
Will you not give your life in service,  
And truly start to live again?"
