*“Inviting you to meet with us at His throne in prayer”*

Are you listening? The angels are singing, “rejoice humanity,” your Lord is in your midst. There are so many sounds ringing through the air, each demanding to be heard and responded to. Who are we listening to, is the question I would like us to take seriously into our thoughts and meditations.

In the midst of all the commercialization and traditions of Christmas there is a still small voice that continues calling to each of us. The Creator of the universe is asking us for what is rightfully His, our whole being, willingly given as a living sacrifice. He has a wonderful plan for each of our lives. It is only as we follow this plan that we can ever

realize our full potential for the few short years we get to live on this earth. This all-important choice will also determine our eternal destiny.

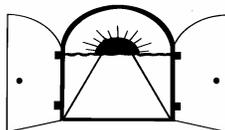

Are we listening? He is calling, gently urging, lovingly pleading, "come way from all that passes with time and invest your life and belongings where it counts forever.

We at Open Doors Foundation take this precious moment to thank all of you for your love, prayers and giving that has made such a big difference for the destitute children that nobody else in the world cares about. Our prayer is that in 2008 we together with you can reach many more children and homes for Jesus. The Lord bless each of you and your loved ones, with health, joy, peace, and most of all a closer walk with Him. Emanuel, God with us! He is reaching out to take our hand.

Please note: We would like to send you a personal prayer card as shown above. Please request from Eurovangelism, contact info below.
