

“Bringing children to JESUS”

Greetings from South East Romania, where the summers are very hot and long. For those who come here to volunteer from cooler climates the heat is very hard to bear. We who live here also feel drained by the heat in 30s and up to the mid 40s Celsius.

In spite of the heat we have been able to bring many children to Jesus in both the day camps in our city and the weeklong camps away from Medgidia. Because of our co-operation and partnerships with City Halls and Schools we had requests from three villages to take children from poorer families to camps.

We praise the Lord that through these channels we have been able to share the good news of Jesus' love with children who never heard before. In some cases a teacher from the village school has also been able to attend the week of camp as a helper. Here is another opportunity for someone who hasn't heard and experienced the love of Christ in action to receive the salvation of God, through faith in Christ Jesus.

Activities during the camps included, bible studies, scripture memorizing, prayer, learning songs, devotions, crafts, sports, and sightseeing. These are life-transforming weeks that children will carry with them the rest of their lives.

Lets just praise the Lord!

Bless this meal Oh Lord and all the hungry kids!

In all we ministered to two hundred plus children in the camps this summer. There are many more children who need to be reached and our hope is to do just that in the summers to come. One of the greatest needs for camps are helpers who can really connect with the children while having good organizational and teaching skills. We depend on the Lord to send the help we need for these very important events.

Perhaps you have a desire to contribute financially to help cover the costs of this years programs, or to come in person as a volunteer. Our staff is very limited so we depend on teams and individuals who come and work with us. Please pray about this and let us

know how the Lord is leading you. We wish to take this opportunity to thank the numerous individuals and the three teams who came this summer to minister to the children.

*****URGENT*****

We are presently making an appeal for a few volunteers who have carpentry, drywall and ceramic installation skills. The Lord being willing we would like to get this team here as early as Oct. 9th or a week later. Please let us hear from you today; the time is quickly moving on. Please pray about donating for construction materials or helping to cover the cost of someone else's ticket so they can come.

The healing center needing to be completed. Thanks to those who have given generously of their prayers, time and funds. Teams have stayed here and The Lord has met with us here!

We thank all of you our very special friends for your continual prayers and financial support so that we can continue the Lord's work in this very poor area of Romania. On behalf of the civic leaders, teachers, parents and most of all the children we sincerely say, thank you and may the Lord Bless you again and again.
