

## Open Doors Report November 07

**Diamonds in the dirt;** As I meditated on the precious children whom the Lord has brought into our lives and ministry, this statement vividly came to mind. Words and even pictures cannot fully convey the horrible conditions that these children endure in the hovels they call home. Above and beyond that, they experience gross neglect along with verbal and physical abuse. Loving communication and affection is not a part of their daily lives.

**What God's love is doing to make a difference:** These precious diamonds are being taken from the dirt and are lovingly washed, clothed, fed, educated and shown the way to eternal life through faith in Jesus Christ. "They shall be mine says the Lord of hosts, on that day that I make them My jewels, and I will spare them as a man spares his own son who serves him. Malachi 3:17" NKJ

The greatest need we still have is more **labourers** who are called, capable and dedicated to giving their lives in service to **The Lord Jesus Christ**. David and Valerie Adams of Alberta have just spent two weeks with us; they are making the **Hope for the Children Centre**, a high priority in their lives and ministry. Plans are for one or two teams to come here in

2008 to renovate this facility. Perhaps you have skills or funds that you are willing to dedicate to this life transforming project.

**Christmas 2007:** The season to distribute gifts to the needy children is almost upon us. Our goal is to tell every child in the city from kindergarten up to grade four, the wonderful story of **JESUS, God's gift**, and a token shoe-box present. Many children who don't go to school will receive their only Christmas present through **Open Doors**.

Please consider putting the needy children here in Medgidia on your Christmas gift list. Pray about it and act today.
